“The Foundation has provided Holy Redeemer School with ongoing financial assistance for many years. In speaking with principals, I have found we are blessed to have the support of our foundation that allows us to dream a better a future for our school and our students while furthering the mission of the parish”

~ Ashley Honetschlager, HRS Principal

“The Holy Redeemer Foundation provides our parish and school with stability and possibilities that are unique in my experience as a pastor. The support of the Foundation allows the security and hope we need to continue to proclaim the Good News of Jesus to the world. Your support of the Foundation helps us to build a vibrant and hopeful presence in our community.”

~ Father Tony Stubeda
